Fruit Ridge Notes - Thursday - February 6 - 2020

Good Morning Friends

So...Chance of acupla Flakes today...???
Supposed to be some Good SunShine tomorrow & Friday & Sunday ...
Yesterday we certainly enjoyed a great deal of SunShine...

Thanks so Much !!!!!

...for the Opportunity for me to see & visit with so many of you
Yesterday at Fricanos !!!! It sounds like everyone passed their
Test...???

...at least all the Folks I talked to !!!
MSU-John did a great job.

MDA did a great job administering the Test

But I missed seeing my ol Pal Scott King-MDA.... They had 2 New-
Folks there doing the Deal....

**** **John Stone--MSU--**Training Instructor, said to keep watching as
the Manufacturers roll out their new Labels on Paraquat & Gramoxone....
More changes are in progress.
Hopefully you have some "Old-Label-Paraquat-3SL" to use this year and
next ...

....Call Deanna if you dont. 616-887-9933

******Runting Young Trees** Lots of Reasons.... Most Educated
Fingers are pointing to the Winter 2 Years ago.... Many Growers have
been trying hard to save these Youngns since Spring 2018 when the
evidence was starting to show itself.

Stay Tuned ...

A Good Strategy for those Trees that have a chance of survival is
included in your "Stop-the-Bleeding" process.

Lets Talk soon....

**** You Interested in some "Solar-Energy" Details...???

Plesase join us at Dads Barn at 2.30p Tomorrow.... UpStairs...where
we will be visiting with Ken from 'Harvest Solar' ...Lets find out if this
might fit for you....???

Dads Barn is our Meeting Place ...just up the driveway from our
house....

1718 Gooding St--Conklin... just west of 16th Ave...South-Side

Gods Peace.....
